#### Adopt A Pole Instructions:

- No drilling of holes or metal wire used on poles.
- Zip ties or tape only.
- Anything 24 inches or more protruding from the pole must be a minimum height of 8 feet from the ground.
- All displays must be tasteful, child safe, fun, and family friendly.
- Decorations must be removed by November 28m (subject to change).

Numbers can be found near the bottom of each pole to help you verify the pole of your choice. Please select the pole you wish to decorate. Poles are first come first serve with priority given to Main Street business members. Proximity to place of business will also be considered.

By signing above, applicant understands that the City of Benton may use photographs of actual Adopt A Pole entries and names of entries for publicity and promotion. City of Benton is not responsible for lost, stolen, or damaged items associated with the decorated pole. Participant is responsible for "fixing" any issues that may arise associated with their decoration for the duration that they are in place. Participant understands that their pole will not contain any lude or inappropriate material (which is at the discretion of the City of Benton). If it is deemed inappropriate, participant may be asked to fix it or remove it, or it will be removed for me.

**Thank you for participating in the fun spirit of the season!**
