Accordingly, the parties recognize that the general purpose of this Agreement is to promote the purpose of the City and the general welfare of the public and to provide for the operation of the City's business under methods and conditions that will to the fullest extent possible further safe, harmonious, productive and uninterrupted operations with maximum quality, quantity and efficiency during the term of this Agreement. The parties to this Agreement will cooperate fully to secure the advancement and achievement of these purposes. Further, the parties recognize that it is likewise the purpose of this Agreement to set forth their entire agreement on pay, hours and other conditions of employment; to provide a procedure for the prompt and peaceful resolution of grievances; to ensure harmonious relationships among the employees, the City and the Union; and to promote and maintain productive and efficient operations.

ARTICLE II.
RECOGNITION

Section 2.1. Recognition of Union as Bargaining Agent. Pursuant to its obligations under the Illinois Public Labor Relations Act (IPLRA), the city recognizes the Union as the sole and exclusive bargaining agent with respect to rates of pay, hours of work, and other terms and conditions of employment, for those employees in the bargaining unit set forth in Section 2.2 immediately below. This clause is solely a recognition clause and shall neither be deemed to nor shall constitute a guarantee or obligation (explicit or implied) on the part of the City to continue operations or any portion thereof, or as guarantee of employment to any employee.

Section 2.2. Bargaining Unit. The bargaining unit covered by this Agreement consists of all non-supervisory and non-managerial full time employees performing operations,

maintenance and/or similar work employed by the City in its Water, Sewer and Street Departments, and excluding superintendents, assistant superintendents, clerks and all other employees, as defined in the IPLRA, as amended. The word “employees” as used in the other sections of this Agreement shall mean and apply to persons included within the bargaining unit, unless by the content of the language concerned, a different meaning is clearly apparent.

ARTICLE III CLASSIFICATIONS

Section 3.1. Classifications. Job title and work shall be done by the following titles respectively and exclusively, except in cases of emergency or training, the City can take the action necessary to distribute work. Emergency schedules shall not interfere with overtime, laid-off employees or any other benefits. Only a classified Operator will be used on critical dig.

Street Department

Lead Man
First Operator
Street and Maintenance Employees

Water Department

Lead Man
First Operator in the Water Department
Water and Sewer Maintenance Employees

Sewer Department

Head Operator in Sewer Department
Assistant Operator in Sewer Department

The classifications and job titles used by the City are for descriptive purposes only. Their use is neither an indication of, nor a guarantee that these classifications or titles will continue to be utilized by the City.

The City of Benton agrees to pay for any Union employee to take a Basic Wastewater Class, one time only per employee to aid that employee in obtaining a Class 4 Wastewater License. The class must be taken during nonworking hours and no overtime will be paid for the class.

Section 3.2. New Classifications. The City shall promptly notify the Union of its decision to implement any new classification pertaining to work of a nature performed by employees in the bargaining unit. If the new classification is a successor title to a classification covered by the Agreement and the job duties are not significantly altered or changed, the new classification shall automatically become a part of this Agreement at the wage rate of the predecessor title.

If the new classification contains a part of the work now being done by any of the classification covered by this Agreement, or whose functions are similar to employees in this bargaining unit, and the Union notifies the City of a desire to meet within ten working days of its receipt of the City's notice, the parties will then meet to review the proposed classification and if unable to reach an agreement as to its inclusion or exclusion from the unit, the City shall be free to implement its decision and the Union shall be free to challenge that decision before the Illinois State Labor Relations Board. If the inclusion of the proposed classification is agreed to by the parties or found appropriate under the IPLRA, the parties shall negotiate as to the proper rate of pay for the classification, with the City free to assign a temporary rate pending resolution of negotiations of the pay rate. In all events, the City and Union will observe the prohibitions set forth in Article II of this Agreement with respect to the negotiation of such pay rates for the duration of this Agreement. Any new classifications will be filled using the seniority based bidding procedure set forth in this Agreement.

ARTICLE IV NON-DISCRIMINATION

Section 4.1. Union Activity. There shall be no discrimination, restraint, or coercion by the City or by the Union against any employee because of his membership or non-membership in the Union.

Section 4.2. Equal Employment Opportunity. Neither the City nor the Union shall discriminate in the administration of this Agreement against any employee on the basis of race, color, religion, creed, sex, national origin, citizenship, age, veteran status, or mental or physical disability unrelated to the ability to perform the essential job functions (all of the foregoing within the restrictions of law).

Section 4.3. Accommodation of Disabilities. The City has full authority to implement any measures which, in its discretion, it deems necessary to comply with the Americans With Disabilities Act (ADA), or to accommodate a disability there under. It is understood that present law does not require the City of obviate or undercut seniority rights under this Agreement for job bidding purposes in order to comply with the ADA. Additionally, the City agrees to give the Union notice of any action taken to comply with the ADA that is reasonably believes may conflict with the terms of this Agreement and will meet to discuss alternatives the Union may suggest.

Section 4.4. Gender of Terms. Unless the context in which they are used clearly requires otherwise, words used in this Agreement denoting gender shall refer to both the masculine and feminine.

ARTICLE V UNION REPRESENTATION

Section 5.1. Union Representatives. The City recognizes and will deal with Union representatives, including those chosen by the Union from among employees in the bargaining unit.

Section 5.2. Union Stewards. The Union may designate up to two (2) employees as union stewards for the bargaining unit. The Union will advise the City of the scope of responsibility of each steward. Additionally, the Union, in its discretion, will select a bargaining committee to negotiate any further agreements. The Union will select its committee as it sees fit without restrictions to whom, or how many members may participate.

Section 5.3. Notification of Union Representatives. The Union will maintain (and keep current) with the City a complete written list of its business agent(s), stewards and staff representatives (including addresses and telephone numbers) who will deal with the City. The City shall be free to refuse to deal with any purported Union representative for whom the City has not received written notification from the Union confirming such individual's status as an official Union representative authorized to deal with the City.

Section 5.4. Union Activity. The Union agrees that it will not solicit Union membership or carry on any other activities during the work time of any employee involved, or carry on such activities in working areas (whether on or off City premises) at any time or in any manner; provided, however, aggrieved employees and the necessary union stewards shall be allowed paid release time to attend all grievance meetings if scheduled during a regular working hours.

A non-employee Union representative will be allowed access to City premises to meet with the City representatives, or to meet with Union stewards, or to carry out other reasonable activities that do not interfere with operations or work performed after advising the City of the matter requiring his attention and after scheduling a mutually agreeable time.

Section 5.5. Dues Check-Off. The City agrees to deduct from the pay of those employees who individually and voluntarily request it, any Union membership dues, assessments, representation fee, or fees duly established by the Union in accord with its constitution and by-laws. Within thirty (30) days of receipt of an appropriate written authorization from an employee, such authorized deduction shall be made in accord with law. The Union shall advise the City of any increase in dues or other approved deductions in writing at least thirty (30) days prior to its effective date. Dues shall only be withheld if sufficient funds are available in the employee's earnings after withholding all other legal and required deductions. Deductions shall cease at such time as a strike or work stoppage occurs in violation of Article VI (No Strike/No Lockout). A Union member may revoke the dues check-off with thirty (30) days written notice to the City and the Union, provided, a member may not revoke his authorization more than once per year.

Section 5.6. Union Administration and Representation Fee. If an employee refrains from joining the Union, the employee will be required to pay a fee, which shall be his/her proportionate share of the costs of the collective bargaining process, contract administration, and the cost of pursuing matters affecting wages, hours, and other conditions of employment. In no event shall the employee's fees exceed the amount of dues uniformly required of members.

Provided further, that if the employee's reason for not joining the Union is based on a bona fide religious tenet or teachings of a church or religious body of which the employee is a member, the employee will be required to pay his/her proportionate share to a non-religious charitable organization mutually agreed upon by the employee and the Union. If an agreement is not reached on the appropriate charitable organization, the choice of the charity to which such payments will be made will come from the approved list of charitable organizations established by the Illinois Labor Relations Board.

Section 5.7. Union Indemnification. The Union shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of action taken or not taken by the City in complying with the provisions of this Article. If an improper deduction is made, the Union shall refund directly to the employee such amount.

ARTICLE VI NO STRIKE-NO LOCKOUT

Section 6.1. No Strike. The grievance and arbitration procedures set forth in Article VIII are the exclusive means of resolving grievances. The procedures of and before appropriate governmental administrative agencies and courts are the exclusive means of resolving a dispute of any other kind between the employee (or Union) and the City.

Accordingly, there shall not be (nor shall the Union, its agent, officers, stewards, representatives, or employees encourage, instigate, promote, sponsor, engage in or sanction) any strike (including sympathy strike), picketing, sit-down, stay-in, slowdown, concerted stoppage of work, concerted refusal to perform overtime, concerted, abnormal and unapproved "work to the rule" situation, mass resignations, mass absenteeism, or any other intentional curtailment, restriction, interruption or interference with work, operations, or other activities of the City, regardless of the reason for so doing.

Section 6.2. No Lockout. During the term of this Agreement, the City will not institute a lockout over a dispute with the Union so long as there is good faith compliance by the Union with this Article, unless the City cannot efficiently operate in whole or in part due to a breach of Section 6.1.

Section 6.3. Union Official Responsibility. Each employee who holds a position of officer or steward of the Union occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. Accordingly, the Union agrees to notify all Union officers and stewards of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to abide by the

provisions of this Article by remaining at work (that is, those who are employees of the City) during any interruption as outlined above. In addition, in the event of a violation of section 6.1., the Union agrees to inform its members of their obligations under this Agreement and to encourage and direct them to return to work by all means available under its constitutions, by-laws, and/or otherwise. Where one or more employees violate a provision of this Article, the Union, including its officers, agents and stewards shall not be liable for any damages, direct or indirect, upon complying in good faith with the requirements of this section. Nothing in this section shall be construed to absolve or hold harmless any individual for violating the prohibitions of this Article.

An employee shall not be required (except when necessary due to emergency requirements or public health concerns), however, to cross a picket line where, due to express threats and/or overt acts of mass picketing or violence and the absence of adequate measures to ensure safety and security, the employee reasonably fears for personal bodily harm.

ARTICLE VII MANAGEMENT RIGHTS

Section 7.1. Management Rights Reserved. The City reserves all the rights, powers, and authority customarily exercised by management, except as may be specifically limited by the other terms of this Agreement. These management rights include, but are not limited to, the following:

- To plan, direct, control and determine all operations;
- To determine the City's objectives and policies, and to determine and set all standards of service;
- To determine what services, if any, shall be provided, and determine what services and duties are to be performed and provided by employees and where they shall be performed;
- To supervise, direct and assign employees and their activities as related to the conduct of City business or affairs;
- To establish the qualifications and conditions for employment and to select, hire, and employ employees;
- To schedule work (including overtime work) and to schedule the hours of work (including overtime);
- To lay off or relieve employees due to lack of work or funds or for other reasons;
- To determine the methods, means, organization, and number of personnel by which its operations and services shall be conducted or provided;
- To make and enforce reasonable rules and regulations;
- To promote employees;
- To discipline, demote, suspend and discharge employees for cause; provided further, that probationary and temporary employees may be disciplined, demoted, suspended and discharged without cause;
- To change, relocate, modify or eliminate existing programs, services, methods,

- equipment or facilities; and
- To determine whether services or goods are to be provided or produced by employees covered by this Agreement.

The exercise of the foregoing rights and responsibilities by the City are limited by the parties established past employment practices and by the specific and express terms of this Agreement. Nothing contained herein shall be construed to deny or restrict the City of its rights, responsibilities and authority under any national, state, county, or local laws or regulations. Further, the foregoing enumeration of management's rights shall not be deemed all-inclusive so as to exclude other rights of management not specifically enumerated.

Section 7.2. No Waiver of Rights. The failure of the City to exercise any function, power, or right reserved or retained by it or the exercise of any power, function or right in a particular manner, shall not be deemed a waiver of the right of the City to exercise such power, function, authority or right, or to preclude the City from exercising such right in some other manner, so long as it does not conflict with an express provision of this Agreement, or the parties' established past employment practices.

ARTICLE VIII DISCIPLINE AND DISCHARGE

Section 8.1. If it becomes necessary to discipline an employee, the following steps shall be followed:

Step 1: Verbal Warning: For a minor infraction or a first offense, a verbal warning shall be given with the employee and the union steward present, if requested. The purpose of a verbal warning is to notify an employee of a problem area and give him notice to correct the situation.

Step 2: Written Reprimand: In the instance of a more serious offense of failure to correct the infraction after the verbal warning, a written reprimand may be given. The Union Steward and the employee shall both receive a copy of the written reprimand. The reprimand shall be removed from the employer's file after twelve (12) months without further instance.

Step 3: Written Reprimand with Suspension: In the event of serious or repeated offenses, the City may give a written reprimand with a suspension, without pay, not to exceed thirty (30) days within any twelve month period. The City must show just cause for such action and a copy of the written reprimand with suspension terms shall be sent or given to the employee and the Union Steward. The employee must have already been given an oral and a written reprimand, for a similar or related offense, except in the case of an alcohol or drug abuse violation, prior to receiving the suspension notice. The suspension shall be removed from the employer's file after twelve (12) months without a further instance. Should the offence involve drug or alcohol abuse, The Drug, Alcohol and Substance Abuse Policy shall supersede this section.

Step 4: Discharge: In the event of serious or repeated offenses, the City may suspend an employee up to ten (10) days subject to discharge, and thereafter discharge. Only reprimands remaining in the employee's file may be used in consideration of discharge.

Each step in the discipline process is subject to grievance procedure.

Section 8.2. Limitation. The City's agreement to use progressive and corrective disciplinary action does not prohibit the City from imposing discipline which is commensurate with the severity of the offense, up to and including discharge.

ARTICLE IX GRIEVANCE PROCEDURE

Section 9.1. Definition. A "grievance" is defined as any complaint arising under this Agreement raised by an employee or the Union alleging that there has been a violation, misinterpretation of one or more provisions of this Agreement. Should any dispute or difference of opinion arise, there shall be no suspension or disruption of work of any kind or manner, but such disputes or differences shall be resolved exclusively through the grievance procedure hereinafter specified.

Section 9.2. Procedure. The grievance shall be processed according to the following procedure. The term "working days" as used in the following procedure refers to days the City's offices are open, unless otherwise indicated. When specifically requested by an employee, a Union Steward may accompany the employee (at a mutually agreed time) to assist in the resolution of the grievance.

- Step 1: The grievance shall be orally presented to the employee's supervisor (if applicable) or the superintendent. The parties will make every effort to settle the grievance during the discussions in Step 1. All grievances must be presented no later than ten (10) working days after the employee or the Union obtained knowledge of the occurrence of events giving rise to the grievance.

- Step 2: The employee or authorized Union representative shall submit the grievance, in writing to the Superintendent. The grievance shall contain a statement of facts, the provision or provisions of the Agreement which are alleged to have been violated, and the relief for remedy requested. The written grievance shall be presented within ten (10) working days of the final decision derived from Step 1. The Superintendent shall render the City's written response to the employee and Union representative within five (5) working days after the grievance is presented. If because of the absence of the Superintendent, the grievance cannot be submitted in Step 2, within the ten (10) day period provided for such submission, the grievance shall be advanced automatically to Step 3.

- Step 3: If the grievance is not settled in Step 2, and the Union, with or without the employee, wishes to appeal the grievance to Step 3. of the grievance procedure, it shall be submitted in writing to the relevant Commissioner or his or her designee either within ten (10) working days after the receipt of the City's answer in Step 2., or within ten (10) working days of when the answer

was due in Step 2., or, if automatically advanced to Step 3. because of the absence of the Superintendent, within ten (10) working days from and after the expiration of the time for submission of the grievance in Step 2. The Commissioner or designee shall meet and discuss the grievance at a mutually agreeable time within five (5) working days of the receipt of the notice of appeal, with the authorized representative(s) of the Union. If no settlement of the grievance is reached, the Commissioner or designee shall provide the City's written answer to the Union representative(s) within five (5) working days following the meeting.

Step 4: If the grievance is not settled in Step 3., the Union may invoke arbitration by filing a written notice to the Mayor or designee within ten (10) working days of the City's written answer in Step 3., or within ten (10) working days of when the answer was due in Step 3., whichever is later.

Section 9.3. Arbitration. If arbitration is invoked as provided in Step 4., above:

A. The parties shall attempt to agree upon an arbitrator within ten (10) working days after receipt of the notice of referral. In the event the parties are unable to agree upon the arbitrator (or an alternative process), within the ten (10) day period, either party or both parties, jointly or severally, shall request the State Labor Relations Board (ILRB), Illinois Arbitration Service to submit a panel of five (5) arbitrators to the party requesting the panel. Each party shall alternately strike a name from the panel, with the Union striking first, until one name remains. The person remaining after all strikes are made shall be the arbitrator. Each party has the right to reject one (1) panel and request that a new panel be sent.

B. The arbitrator shall be notified of his or her selection by the ILRB and shall be requested to schedule a mutually agreeable date, time, and place for the hearing.

C. The City and the Union have the right to request the arbitrator to require the presence of witnesses or relevant documents. The City and the Union retain the right to employ legal counsel.

D. The arbitrator shall submit the decision in writing within ten (30) calendar days following the close of the hearing, unless extended by mutual agreement of the parties.

E. More than one grievance may be submitted to the same arbitrator only if both parties mutually agree to do so in writing.

F. The fees and expenses of the arbitrator and the cost of a written transcript, if any, shall be divided equally between the City and the Union; provided, however, that each party shall be responsible for compensating its own representative and witnesses.

Section 9.4. Limitations on Authority of Arbitrator.

A. The arbitrator shall have no right to amend, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue or issues of contract administration or application appealed to arbitrator, and shall have no authority to make a decision on any issue not so submitted. The arbitrator's decision shall be based solely upon the arbitrator's interpretation of the meaning or application of the terms of this Agreement in relation to the facts of the grievance

presented. Subject to the arbitrator's compliance with the provisions of this Section 9.4., the arbitrator's decision shall be final and binding.

B. If no joint written stipulation of the issue is agreed to by the City and Union, the arbitrator shall be empowered to determine the issue raised by the grievance as submitted in writing at the Second Step. The arbitrator shall have no authority to make a recommendation on any issue not so submitted or raised.

C. The arbitrator shall be without power to make recommendations contrary to or inconsistent with any applicable laws or rules and regulations of administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the duties and responsibilities of the City under law and applicable court decisions. The decision of the arbitrator, if made in accord with the jurisdiction and authority granted to the arbitrator pursuant to this Agreement, will be accepted as final by the City, the Union, and the employee and all parties shall abide by it. All arbitration decisions shall be in accordance with 710 ILCS 5/1 et. Seq. (Uniform Arbitration Act).

Section 9.5. Group Grievance. If a grievance involving two or more employees arises out of the same facts and alleges a violation, misinterpretation, or misapplication of the same specific terms of this Agreement, it may be submitted as a group grievance in accord with the procedure set forth in Section 9.2. above. The grievance may be signed by the number affected by the grievance or by the steward on behalf of all affected members. The resolution of a group grievance shall be limited to those employees who are affected by the grievance.

Section 9.6. Time Limit for Filing. No grievance shall be entertained or processed unless it is submitted within the time requirements set forth in Section 9.2. If a grievance is not presented within this time limit, it shall be considered "waived" without precedence. Likewise, if a grievance is not appealed by the Union within any of the time limits set forth herein, it shall be considered "waived", without precedence, and may not be processed or pursued further. The City does not hold a meeting or answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step, and immediately appeal the grievance to the next step. The parties may by mutual agreement in writing extend any of the time limits set forth in this Article.

Section 9.7. Processing Grievances. The parties shall endeavor to schedule grievance meetings specified in this Article at times which do not interfere with the work of bargaining unit members, whose presence is necessary at the particular meeting in question. If, however, a meeting is scheduled at the request or consent of the City during work hours, the grievance and/or steward shall be released from duty to attend the meeting without loss of pay, provided they shall remain available for work.

A steward and the grievant (or representative grievant in the case of a group grievance) shall be released from duty to attend any arbitration hearing held pursuant to this Article. Additionally, any necessary witnesses shall be released for the period of time required to testify in such arbitration hearing may use accrued vacation or personal leave for such time period, subject to the ordinary treatment of overtime, vacation and personal leave as addressed elsewhere

in this Agreement. All time spent at the arbitration hearing during the normal work time shall be considered time worked by the employee.

Section 9.8. Union Control of Grievance Procedure. Only the Union, as the exclusive representative of the bargaining unit covered by this Agreement, shall have the right to take to arbitration any grievance which is arbitrable under this Agreement. If the Union refuses to process a grievance on behalf of an employee or if the City and the Union settle any grievance on behalf of an employee hereunder, the employee who has filed such grievance or on whose behalf it has been filed shall be bound conclusively thereby, and the Union may not revive or further process said grievance. Where the Union (or its representative) has the authority or discretion under this Agreement to act or not to act concerning a grievance or dispute, no employees of former or former employee shall have any right under this Agreement to complain or make a claim because of such Union action or inaction.

ARTICLE X. HOURS OF WORK AND OVERTIME

Section 10.1. Application of Article. This Article is intended only as a basis for calculating overtime payments, and nothing in this Agreement shall be construed as a guarantee of hours of work per shift, per day, or per week. Compensation shall not be paid more than once for the same hours worked under any provision of this Article or Agreement. Overtime payments shall not be pyramided or duplicated. Nothing in this Article or Agreement shall be construed to create job or work jurisdiction or ownership in any particular group or classification or employees or to cause the ineffective use of manpower.

Section 10.2. Workweek, Workday, and Work Schedules.

A. When work is available the normal and regular work week for employers shall be forty (40) hours. Such schedule shall normally consist of eight (8) hours per day and five (5) consecutive days per week, or ten (10) hours per day and four (4) consecutive days per week, to be scheduled within the period of Monday through Friday, for the Street, Water, and Sewer department. However, if City constructs new treatment plant, Sewer department will work Monday through Saturday if needed. The work cycle or work week for payroll purposes shall normally begin on Sunday at midnight, (i.e. 12:01 p.m. Monday) and ends at midnight the following Sunday night (i.e. p.m. Sunday).

B. The City has the discretion and right to establish and change from time to time the work schedules upon which the City's operations will run, including the starting and ending times for workdays or shifts, and the days off available on a work schedule. Unless the Union consents to a more extensive change, such changes if permanent, shall be limited to moving the current schedules forward or backward by one (1) hour; additionally, the City shall provide seventy-two hours advance notice of such changes.

Section 10.3. Lunch and Break Periods. All employees covered by this Agreement are entitled to two paid fifteen minute breaks; one during the morning and one break during the

afternoon. In addition, each employee is entitled to a one hour lunch break. The Water and Streets Department workers will receive an unpaid lunch. Those employees working at the Sewer Department will receive a paid lunch period.

During emergency situations, where an employee works more than five consecutive hours and is unable to take a one-hour break (breakfast, lunch or dinner), the city will purchase the employee's meal. There is an \$10 maximum on meals provided by the City.

Employees will be allowed fifteen minutes clean-up shower time prior to the completion of the work day.

Section 10.4. Overtime Pay. All work required to be performed in excess of the regular work day or work week, shall be paid for at one and one-half (1 ½) the rate of pay computed from regular schedule (i.e. annual salary/2080 + add-on hourly compensation X 1.5).

When employees are called back to work after having been released from their regular day's work, they shall receive overtime pay for time involved, but in no case shall they receive less than two (2) hours pay at the said overtime rate. The City will not be required to pay minimum two (2) hours pay for work due to the employee's failure to correctly perform the work.

If no employee or employees are secured by the above procedure to obtain the man power needed by volunteer, then the City may require the Jr. employee within the Department with the overtime needs, to work the overtime.

Section 10.5 August 27, 2018 Overtime Clarification/Side Letter Agreement Terms

All job duties commonly done by the leadman that require overtime shall not be on a rotational basis. All "bid job" positions in all departments that require overtime shall not be on a rotational basis. (Example of bid job: Sewer Plant Head Operator, Street Sweeper Operator, Mechanic, Water/Sewer First Operator, Etc.). All other required overtime will be on a rotational basis in all departments.

*When overtime occurs in Leadman position or Bid Job positions' the employee currently in that position MUST be notified or called before overtime is offered to any other employee.

*When current Leadman is not available for overtime the Superintendent/Commissioner may appoint an employee of the bargaining unit to be the Leadman.

*When employee in current bid job is not available for Overtime the Leadman or Superintendent/Commissioner may call the next qualified employee in said department for the overtime work.

Section 10.6 Overtime/Comp Employee Election

The employee may elect to take overtime worked as comp time. Employee must make decision on overtime or comp time at the time the timesheet is turned into supervisor. A maximum of 40 hours will be allowed.

ARTICLE XI HOLIDAYS

Section 11.1. Holiday Schedule. Employees shall be granted the following holidays with pay: New Year's Day, President's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day, Friday after Thanksgiving Day, Christmas Eve Day, and Christmas Day. The City of Benton employees shall observe the above-mentioned Holidays on the day that the State of Illinois recognizes each holiday. In the event an employee hereunder is working on any said Holiday, said employee shall be paid for said Holiday at double time rate of pay, in addition to receiving the regular time rate for said day worked. Therefore, the employee receives double time, and his regular pay for a total of triple time when working a Holiday. Employees have the choice of taking off of work on their birthday, or they can schedule this at a later time, but birthdays will be paid at the regular time rate, not any higher rate of pay.

When a holiday falls on Sunday, the following Monday is observed as a holiday; if a holiday falls on Saturday, it shall be observed on the previous Friday, and when Christmas Eve falls on a Sunday, it shall be observed on the previous Friday.

Section 11.2. Eligibility. Only regular, full time employees are eligible for holiday pay. Temporary and Probationary employees will receive the day off without pay.

Therefore, the employee receives double time, and his regular pay, for a total of triple time when working on a holiday. Holiday pay will be calculated from 12:01am thru 12:00pm.

Section 11.4. Holidays Falling During Vacation. Where a holiday designated by this Agreement falls within an employee's scheduled vacation period and on a day designated by the employee as a vacation day, that employee will receive another day off so as to avoid any actual loss or reduction in total paid days off. The employee will be paid for the holiday at the applicable rate.

Section 12.1. Amount of Vacation. Employees hereunder, who have completed one (1) year of service, shall be granted one (1) week of vacation, two (2) years of service shall be granted two (2) weeks of vacation. Section 12.4. Scheduling and Accrual. Vacation days are selected pursuant to the seniority selection process on a first come, first serve basis. Such vacation requests are subject to approval by the appropriate commissioner. In that regard, employees must give one (1) week notice of intention to take vacation of one week or more. Twenty-four (24) hour notice shall be given if vacation to be taken is less than one week. Only one employee at a time may use vacation day(s) unless additional employee(s) receive approval from the appropriate Commissioner to use vacation day(s) at the same time.

The City and Union will both have equal say if there is a dispute over who would be more qualified for a position, so as to insure fairness.
5. If no one in the other two departments bid on the job, it will be offered to the most senior laid-off employee from the other two department.

ARTICLE XX DRUG POLICY

Section 20. Drug and Alcohol Testing.

In order to help provide a safe work environment and to protect the public by ensuring that Benton City Workers have the physical stamina and emotional stability to perform their assigned duties, the Mayor of Benton may require employees to submit to a urinalysis test and/or other appropriate test up to three times per year per employee at a time and place designated by the City. If an employee tests positive in any such random test, the employee shall be required to seek assistance and will be subject to disciplinary action up to and including discharge for refusing to do so or failing to follow the prescribed treatment plan. If the same employee tests positive a second time, the test results shall be submitted to the Mayor of Benton for disciplinary action up to and including bringing charges seeking discharge before the Benton City Council. Drug and alcohol testing may also be required where there is reasonable suspicion for such testing. If an employee tests positive in any such reasonable suspicion test, the employee will be subject to disciplinary action up to and including discharge.

At the time of any urinalysis test, the employee may request that a blood sample be taken at the same time so that a blood test can be performed if the employee tests positive in the urinalysis test. The City shall use only licensed clinical laboratories for such testing and shall be responsible for maintaining a proper chain of custody. Before testing, a written protocol of procedures shall be provided by the laboratory to the tested employees. If the first test results in a positive finding, a confirmatory test (GUMS or a scientifically accurate equivalent) shall be conducted at City expense. An initial positive test result shall not be submitted to the City unless the confirmatory test result is also positive as to the same sample. Threshold metabolite levels for prohibited substances shall be as set and changed from time to time by the Substance Abuse & Mental Health Administration or otherwise as forensically or scientifically reasonable. Upon request, the City shall provide an employee with a copy of any test results, without charge, which the City receives with respect to such employee.

A portion of the tested sample shall be retained by the laboratory so that the employee may arrange for another confirmatory test (GC/MS or a scientifically accurate equivalent) to be conducted by a licensed clinical laboratory of the employee's choosing and at the employee's expense. Once the portion of the tested sample leaves the clinical laboratory selected by the City, the employee shall be responsible for arranging for the proper chain of custody for said portion of the tested sample, and the laboratory shall provide a written protocol of its procedures to the City.

Use, sale, purchase, delivery or possession of illegal drugs at any time and at any place (on or off the job) while employed by the City, abuse of prescribed drugs, consumption or possession of alcohol while on duty, or being under the influence of alcohol while on duty (which shall be defined as a blood alcohol level of more than .00 %), shall be cause for discipline, including termination, subject to confirmation by the Benton City Council. If an employee who is off-duty and not on a previously scheduled on-call status is called back to report for work, it is incumbent on the employee to report if he or she has been drinking alcohol, how much they have been drinking, the period of time since he or she last drank, and any other circumstances that may render them unfit for duty.

Voluntary requests for assistance with drug and/or alcohol problems (i.e., where no test has previously been given based on reasonable suspicion pursuant to the foregoing provisions) shall be held strictly confidential, and any information received by the City as a result of such a request shall not be used in any manner adverse to the employee's interests, except relief from duty or (if available) reassignment for a reasonable time to restricted duties if he or she is deemed unfit for duty in his or her current assignment. An employee voluntarily seeking assistance shall not be disciplined (except for failure to fulfill obligations under an employee assistance/treatment program), but may be subject to more extensive random testing during and for one year following successful completion of an employee assistance/treatment program. The City's obligation to pay for treatment for alcohol/substance abuse shall be limited to services provided by the City's medical insurance plan in which the employee is enrolled. An employee will be allowed to use all accrued sick leave, vacation and compensatory time off while attending a treatment program, and will be granted an unpaid leave of absence to complete such program

after exhausting such paid time off. Nothing in this Section shall be construed to prevent an employee from asserting, or the City from considering, that there should be treatment in lieu of discipline in any disciplinary proceeding involving alcohol or drug use. All HIPPA laws supersede anything in this policy.

ARTICLE XXI GENERAL PROVISIONS

Section 21.1. Resignation. If an employee is contemplating resignation, it should be discussed with the Superintendent at the earliest possible time. Normally an employee shall give at least three (3) weeks' notice of resignation. Employees shall not be permitted to rescind a notice of resignation without express written consent of the City.

Any employee, who believes or should reasonably believe that this outside employment creates or may create a conflict or impairment, must report such outside employment to the appropriate superintendent or Commissioner. The Commissioner or his designee may meet with individual employees to discuss ways in which outside employment may interfere with the performance of City duties, or present a potential conflict of interest, as well as to discuss the manner in which such problems may be resolved, if possible.

If the superintendent feels that no unsafe condition exists, the department Commissioner and the Union steward will be called in to inspect the situation. If an agreement is still not reached, the City Engineer will be

called in for an expert opinion.
